

**TIME TO PLAY:
DROP OFF RESPITE
PROGRAM**

This program is designed to offer a safe, nurturing and fun place for children to come when parents and caregivers need to be away for short periods of time.

Our staff of Registered Nurses and trained paraprofessionals are able to meet the needs of children with health, developmental, physical or emotional challenges.

In addition, we have OT's, PT's and SLP's on site if parents would like to consult with specialists to ensure their child's special developmental needs are met.

TIME TO PLAY: DROP OFF RESPITE PROGRAM

What is Respite?

Respite means to provide short-term care for a child with a developmental disability, chronic health issue, or behavioral health challenge who lives at home with his or her family. Respite can be the means by which a parent, caregiver or family has the time to

do everyday, ordinary things all families like and need to do. Things like: going shopping, going out for an evening, reading a book, making appointments, visiting a friend, or just enjoying a few relaxing moments without worry or interruption.

Parents of children with challenges in health, behavior, or development often find themselves without resources to care for their child with specialized needs when they want to schedule appointments, spend time with their other children, have emergencies or just need some time to themselves.

Supporting the needs of parents for quality respite services.

Easter Seals , The Family Place, has created a program to help parents. A program where they can bring their children during predictable days and hours and feel confident that each child's needs will be met.

Easter Seals offers three programs:

Morning Respite

During specific morning hours, infants, toddlers, preschoolers and kindergarten age children will enjoy a play based experience where their needs will be met and they will have fun.

After School Respite

During specific late afternoon hours, school age children can come to unwind from their day at school, have a snack and be assisted in doing their homework until parents come to take them home for supper.

Evening Respite

One evening a month, parents can plan a night out when their children will be supported in a safe and nurturing environment.

To obtain an enrollment packet or to learn more about our respite days and times, call our office manager @ (603) 895-1522. Or complete the information sheet below and we will send you out a packet.

Cost: **\$15.00/hour** for one child in a family
\$12.50/hour per child for two children in a family
\$10.00/hour per child for more than two children in a family
